

PAROCHIAL CHURCH COUNCIL OF ST. GEORGE'S CHURCH, WHYKE, CHICHESTER

**NOTES TO THE FINANCIAL STATEMENTS (continued)
FOR THE YEAR ENDED 31 DECEMBER 2008**

d Resources used

Resources expended are accounted for on an accruals basis and are accounted for gross.

Grants

Grants and donations are accounted for when paid over, or when awarded where the award creates a binding obligation on the PCC.

Church Activities

The diocesan parish contribution is accounted for when paid. Any parish contribution unpaid at 31 December is provided for in these accounts as an operational (though not a legal) liability and is shown as a creditor in the balance sheet.

e Fixed Assets

Tangible fixed assets

Consecrated and beneficed property of any kind is excluded from the accounts by s.96(2) of the Charities Act 1993.

Movable church furnishing held by the Vicar and Churchwardens on special trust for the PCC and which require a faculty for disposal, are accounted as inalienable property unless consecrated. They are listed in the church's inventory which can be inspected but are not included in the accounts. For other property acquired prior to 1st January 2008 there is insufficient cost information available and therefore such assets are not valued in the accounts. Individual items acquired since 1st January 2008 have been capitalised in the accounts and depreciated over their useful economic life (see note (d)).

All expenditure on consecrated or beneficed buildings and individual items costing under £1000 are written off in the year they were incurred.

Depreciation

Depreciation is calculated to write down the cost of tangible fixed assets, excluding freehold properties, over their expected useful lives. The rates generally applicable are:

Fixtures and fittings	25% straight line
Computer equipment	30% straight line

No depreciation is provided on freehold property as it is the PCC's policy to maintain these assets in a continual state of sound repair. The useful economic life of these assets is so long and residual values so high that any depreciation would not be material. These assets will be subject to annual impairment reviews. Provision will be made if there has been any permanent diminution in value.

Investments

Investments are stated at market value at the balance sheet date.

f Current Assets

Amounts owing to the PCC at 31 December in respect of fees, rents or other income are shown as debtors less provision for amounts that may prove uncollectable.

Short-term deposits include cash held on deposit either with the CBF Church of England Funds, or at the bank
